Here is a rare chance to own and build on one of the very last unimproved lots in the highly desirable Eagle's Nest Airpark Community. 1.15 acre lot has access to the 3200 ft concrete runway with pilot controlled lighting. Eagle's Nest is a privately owned, public use airport centrally located between Dallas and Fort Worth making it a favorite with anyone needing to be close to everything. Build your home and airplane hangar and live with your plane and enjoy the camaraderie that living in these types of communities has to offer. Low POA dues and no city taxes. FAA identifier is T56
